

# New Interpon App

The Interpon  
office that never  
closes

Now available to download from the Apple Store, the Interpon App from AkzoNobel opens the door to all you need to know about Interpon powder coatings.

- Use the product finder to search more than 1500 products
- Build coatings systems which protect assets
- Download approvals, technical and advisory information directly to your mobile device
- Available 24/7

If you want the world of Interpon at your fingertips, download the Interpon App today.
